

Emerald Coast Lutheran Church Begins to Build

As you may know, we will be building a new church on the same sight as our double-wide. The double-wide has now been removed and we are waiting for the developer to get the approvals and building permits to get started. In the absence of a building, we are worshipping temporarily at the Tops'l Beach and Racquet Resort, which is located four miles from the church site. We plan to be there until the completion of the church.

Our mailing address remains the same as most of our mail goes to the PO Box, however we can continue to receive mail at the building site. Our phone numbers have changed during the building process.

Following is the current information for the church:
