

**People of Faith Church**  
**2007**  
**Director of Youth and Family Ministry**  
**Position Description**

Setting

People of Faith is a vibrant congregation committed to making disciples for Christ and leading others to be disciples. The congregation's 9 acre campus in Winter Garden, Florida, is adjacent to our community neighbors that include West Orange High School, Roper YMCA and Orange County Parks and Recreation Soccer and Park facilities. In 2005 we opened the 10,000 sq. ft. Children's Lighthouse Childcare Learning Center and a 3,000 multipurpose Worship Center. In 2008 we will be expanding Children's Lighthouse another 8,000 sq. ft. (for an overall capacity of nearly 400 children) and have plans for 2009 construction of a new, approximately 15,000 sq.ft, Ministry Center, including possible children and youth program space. There are approximately 100,000 residents within a five mile radius of our campus. Our dream is to be an impact congregation for Jesus Christ by reaching and making hundreds of newly baptized disciples so that God's dream, made real in Jesus Christ, comes true "on earth as it is in heaven!" People of Faith is a congregation of the Evangelical Lutheran Church in America.
